- On-Site and Custom Delivery

Course Overview

thinQtank® Learning offering a unique four-day training camp in which students can receive the highly sought after Project Management Professional certification.

In this course, you'll gain the essential preparation needed to pass the PMP certification exam. Concentrating on exam content from *A Guide to the Project Management Body of Knowledge (PMBOK® Guide) — Fifth Edition* and other sources, this course includes a wide variety of learning tools and study aids, all using PMI terminology.

Learning activities in this Training Camp target each of the three major learning styles: visual, auditory, and kinesthetic. Using the simple tool in our study guide, you can identify your learning style. You will receive three suggestions for approaches to studying for the exam that focus on the strengths of each learning style, including yours.

This interactive course includes:

- *PMBOK® Guide-Fifth Edition*
- PMP Exam prep study guides with supplemental audio downloads
- Exercises throughout to reinforce PMP exam concepts
- Handy reference charts and learning aids
- Exercises to increase memory recall
- Electronic flash cards
- 1 Year PMI Membership (if not already a member)
- 35 Hours of Required PM Education
- Hundreds of Proprietary PMP practice questions
- Re-sit the course or attend live online as often as you like for 24 months

Course Objectives

Upon completion, you will be able to:

- Pass the PMP Exam on the first attempt
- Apply cost, quality, and resources to project planning
- Have extensive understanding of the technical dimensions of project management
- Have a broad range of skills across the social-cultural dimensions
- Have comprehensive understanding of the PMBOK Guide Knowledge Areas
